Advt. No. N/351/2024-DIC/05

Date: 06.08.2026

The National Language Translation Mission has been named BHASHINI. The mission BHASHINI was launched by the Hon'ble PM during Digital India week in July 2022. Later it was decided by the Ministry of Electronics and Information Technology (MeitY), that the mission should be implemented by a newly formed Independent Business Division (IBD) under Digital India Corporation (DIC).

Mission BHASHINI's commitment extends to fostering a resilient content ecosystem that is bolstered by technological support specifically tailored for Indian languages. The platform aims to facilitate widespread access to open-source data and efficient translation tools, strategically positioned to address the needs of a vast and diverse population. With a vision "harness natural language technologies to enable a diverse ecosystem of contributors, partnering entities and citizens for the purpose of transcending language barriers, thereby ensuring digital inclusion and digital empowerment in an Aatma Nirbhar Bharat" the BHASHINI platform is poised to serve as a digital public good, contributing significantly to linguistic accessibility and technological empowerment on a national scale.

Digital India BHASHINI Division (DIBD) is looking for young, talented, innovative, and dynamic Professionals who desire to be a part of the team that is scripting the exciting transformation story which is unfolding in India today.

Purpose of Assignment:

- To support various DIBD initiatives for boosting the culture of creativity, innovation, and entrepreneurship in India.
- Operational ground level execution of various DIBD Programs and their implementation of various activities which may call for field level visits/support.
- To manage, review and monitor DIBD beneficiaries as front end/Regional accounts holder of DIBD Programs.
