SELECTION PROCESS

The Selection Process consists of marks obtained (out of 100) in the corresponding paper of **GATE 2026**, Group Discussion & Personal Interview.

Eligible candidates will have to appear for the **corresponding paper of GATE 2026**, i.e. **Electrical Engineering (EE) / Electronics and Communication (EC) / Civil Engineering (CE)/ Computer Science Engineering (CS).**

Candidates qualified in corresponding paper of GATE 2026 shall only be eligible to be considered for the next stage of selection. Qualifying marks in GATE 2026 shall be as decided by GATE 2026 conducting authority.

Qualified candidates shall be short-listed category-wise for Group Discussion & Personal Interview based on their **normalized marks out of 100** in GATE 2026, in the corresponding paper and as per the criteria decided by the Management.

Candidates shall have the option of appearing in the GD/Interview in Hindi or English.

Candidates shall obtain information about their status through their login at the POWERGRID Online Application System. Shortlisted candidates shall be able to download their interview call letter and other relevant documents through the candidate login.

Candidates shortlisted for the Group Discussion and Interview shall be required to bring the documents as mentioned in their interview call letter.

Candidates must qualify in the Personal Interview in order to be considered for empanelment. The qualifying % in interview for different categories is as mentioned below:

Category	**Qualifying % in Interview**
Unreserved / EWS	40%
OBC (NCL) / SC/ ST/ PwBD	30% *(for posts reserved for the corresponding category as per notification to be issued before online submission of application to POWERGRID.)*

Group discussion will not have any Qualifying Marks.

Weightage of Different Parameters

For calculation of final score of a candidate for empanelment, the weightages of marks obtained in GATE 2026, Group Discussion and Interview shall be as indicated below:

GATE 2026 Marks (out of 100) in corresponding paper	85%
Group Discussion	3%
Personal Interview	12%
Total	**100%**

POWERGRID strives to have a workforce which reflects gender balance and women candidates are encouraged to apply. We have been recognized as one of Best Organizations for Women 2024 by ET Now

Empanelment of Candidates

Candidates shortlisted for GD and interview may have to undergo psychometric assessment results of which shall be used as an input during the interview. Candidates who qualify in the Personal Interview will only be adjudged suitable for empanelment. Therefore, it is again reiterated that candidates will have to qualify in GATE 2026 and in Personal Interview separately in order to be considered eligible for empanelment.

Please note that only GATE 2026 score (Normalized Marks out of 100) is valid for this recruitment process. GATE score of 2025 or prior is not valid.

The offer of appointment shall be issued to suitable candidates in the order of category wise merit and based on the requirement. In case two or more candidates secure equal marks, they will be empaneled in the chronological order of their date of birth, the eldest being placed first among them. Selected candidates shall be notified through their login in Online application system.

Appointment of selected candidates will be subject to their being found medically fit in the Pre-Employment Medical Examination to be conducted as per POWERGRID Norms and Standards of Medical Fitness.
